Ngaji gurrjin! One thing that always impresses me about Broome North PS students is how resilient they are. Our teachers see this every day with how our students apply themselves in the classroom, and staff are able to reward the students through our PBS system. In Week 3 of this term we saw this resilience shine through in our Year 3 and 5 students as they completed their NAPLAN assessments. The well-publicised issues with the national server had negligible impact on our kids, but having the power go out half-way through our Language Conventions online assessment was hardly ideal! Our students dealt with the interruption maturely, and bounced back positively to finish the tests once the power was restored. In addition, over the past few weeks we've seen some more visible instances of our resilient students, with their efforts on the cross-country track, both at house level and interschool level. As a staff we are all very proud of our students and we are sure that all parents and carers feel the same way too.

**Leon Wilson | Principal**

## House Cross-country

This year's cross country was fantastic! Congratulations to all students for showing determination to finish the course. A big thank you to Mr Thomson for organising a sensational morning, and to all of our staff and parent volunteers for making the event a success! Y1-6 results were as follows:

Year 1 Boys	Year 1 Girls
1. Henry Dunn	1. Lydia Portz
2. Zac Harris	2. Willow Matthews
3. Chad Ford	3. Lyla Watt
4. Lachlan Wadge	4. Maarli Pigram
Year 2 Boys	Year 2 Girls
1. Jay Wilkinson	1. Cianah Dann
2. Will Ward	2. Bronte McPharlin
3. Max Barras-Smith	3. Neve Grant
4. Kayden Nugent	4. Kayleigh McGaffin
Year 3 Boys	Year 3 Girls
1. Sonny Palazzo	1. Jessica Fletcher
2. Tyreece Dwyer	2. Madison Oldfield
3. Tyler O'Neill	3. Bella Mitchell
4. Fletcher Lane	4. Matilda Cameron
Year 4 Boys	Year 4 Girls
1. Josh Smallshaw	1. Lucy Thom
2. Jack Noom	2. Layla Barras-Smith
3. Ethan Herveux	3. Mariah Gower
4. Oscar Wilson	4. Caitlin Barrow
Year 5 Boys	Year 5 Girls
1. Max Bowers	1. Angeline Connor
2. Bryn Hoggett	2. Lakea Pearce
3. Zane Cairns	3. Maddie McKenzie
4. Bodie Hardtville	4. Brianna Faulds
Year 6 Boys	Year 6 Girls
1. Jaxon Gower	1. Ruby Onofrio
2. Phillip Pigram	2. Madaline Thom
3. Alex Burt	3. Aurelia Cudmore
4. Harry Rahman	4. Jorani Pigram

# Interschool Cross Country

Our amazing Broome North PS athletes represented the school with distinction at the Broome interschool cross country event. Cable Beach was a picturesque location, however, the beautiful setting masked a difficult course, which included running through the soft sand and then up the dreaded surf club ramp. Our students were not deterred and all showed their mental toughness to complete the course. We placed third overall at the carnival - our best ever result in our short history. A HUGE thank you to our legendary volunteer helpers for providing assistance at the event: Kath, Judy and Miss Erin. Thank you to Mr Thomson for preparing the team with morning training sessions and for his organisation of the event. Congratulations team Broome North!

# Mother's Day

The Mother's Day events at BNPS this year were another great success. The Kindy classes had two separate activity days to cater for both groups. The Pre-primary classes had Mother's Day morning activities which included a yummy breakfast, and the Year 1 and 2 students' joined together to put on an amazing array of activities, including nail painting, making fruit kebabs, a photo booth and reading a book under a tree. A wonderful time was had by all!  
**Ms Tracey Nicklen | ECE Deputy**

## P & C Update

Thank you so much to everyone who helped with our school busy bee in Week 2, it was awesome seeing so many teachers and families helping make our school look amazing.

We worked on the gardens and put together some cubby houses for our Year 1 and 2 students, as well as oiling the cubby houses and new mud kitchens, repairing broken toys and putting together our new benches that will be painted for Naidoc.

Special thanks to our carpenters who started early at 6.30am to get our cubbies built; Paul, Phil, Mitch, Cam and Daz you are all legends!

In early May we held 'The Movies Quiz Nite' which was so much fun, thanks to everyone who came along and dressed up. We raised lots of money for the school, all the photos can be seen on our P&C facebook page, thanks to Abby Murry Photography. I would also like to thank Kylie, who is the brains and force behind our Quiz night and Di and Erica for being amazing MC's along with Kylie, and everyone else who helped.

\$5000 for new iPads from INPEX – led Ichthys LNG!  
We have been very lucky to receive a generous donation for new iPads, for our Pre-primary students. We want to give a massive thank you to INPEX – led Ichthys LNG for your amazing grant, the students and teachers are very grateful for the new iPads.

Our next event is our Movie Night on Friday June 14, more details to follow soon.

**Belinda McKenzie | P & C President**

## Mandarn 2

We have had a busy start to Term 2 with some exciting events happening for Pre-primary. We all had a great time at the Mother's day breakfast, we were very impressed with the cross Country running and have been loving our space theme for Term 2.

Recently we filmed a movie of us visiting space! The students got a little taste of the process for making a film, it took quite a lot of practise runs until we got it right! We had to think about what it would be like taking off in a rocket and walking on the moon, and how amazing it is to be able to see our planet Earth from the moon. Everybody loved seeing themselves on the big screen. We will use the film to help us practise our recount writing for the next few weeks of term.

**Ms Emily Bell | ECE**

# Broome North PS Busy Bee

On Saturday 11 May, BNPS P&C held a Busy Bee to construct new cubby houses for the Yr1/2 area, and mulch our gardens. We would like to say a big thank you to Paul McKenzie, Cam Reid, Phil Connelly, Darren Lane & Mitch Hunter for starting at 6.30am to get the cubby houses erected. Further, a big thank you to all the parents and staff that came in and helped us sand and vanish equipment and mulch gardens. The Busy Bee finished with a sausage sizzle to help celebrate our achievements.

Tracey Nicklen | ECE Deputy

# Thank you

Thank you to the people at INPEX – led Ichthys LNG for their very generous donation to our school. This donation was used to purchase 9 new iPads to help students with their day to day learning in the class. The students in ECE are very excited to receive these in class and are loving using them.

Miss Erin | School Officer

## CALENDAR ALERT!

Broome North PS will be closed for students on **Friday, 31 May**. Staff will be attending professional development sessions at Broome Senior High School.

School will also be closed on **Monday, 3 June** for the WA Day public holiday.

Wear your house shirt each Wednesday to earn points for your House!

## Mr Wilson's BRAIN BREAK

*Johnny's mother had four children. The first was April, the second was May and the third was June.*

*What was the name of her fourth child?*

*(Answer on the last page)*

## Reminders from the front office...

- Did you know that you can SMS the school if your child is going to be absent? Just send an SMS to 0437 908 183 before 9:40 am.
- School hats are to be worn at recess and lunch as there is a no hat no play policy in place. Please ensure your child has his/her own school hat.
- Students arriving to school after 8:05 am are to report to the front office. The teachers do their roll first thing and students arriving after 8:05 am may be marked as Unexplained causing a text to be sent to the parent.
- Please be advised there is an updated bus schedule. Please see our schools website for updated times.

## Kabar Indonesian

Selamat datang. Welcome. This year is the second year of our Indonesian language program at Broome North. WHY START LEARNING A NEW LANGUAGE IN PRIMARY SCHOOL? • Brain development is accelerated. • Oral skills are developed easily. • Sounds and rhythms of the new language are easier to pick up. • Younger children won't speak the new language with an English accent. • Younger children have the confidence to practise the language with other people. • Children have more time to become proficient in the new language.

I was interested to see what some of our students thought about learning Indonesian. Here are some of the students' responses from N3:

I like learning Indonesian because it's fun learning what people do in a different country so close to ours. Luc McBride

I feel happy because my dad always went to Indonesia on his boat and learning about Indonesia and the food makes me hungry and I love it. Annie Tocas

I love learning a new language like Indonesian because it can make kids feel good about themselves. Keegan Chappell

I like doing Indonesian because if I go to Indonesia I can speak to other people who live there. Taya Corpus

I really enjoy Indonesian and I get very excited to learn more stuff because I think I'm getting good and I really want to be able to say like a whole paragraph in Indonesian words. Micah Hegarty

I love Indonesian because we learn a different language and learn about a different culture and find out about their lifestyle. Kayley Fletcher

I loved reading their responses and feel so happy to be able to share my love of the culture and language of Indonesia.

Sampai jumpa (until next time)

**Bu Tucker | Indonesian Teacher**

31 May, 2019

Dear Parents and Caregivers,

All schools in Australia, including Independent and Catholic schools, will participate in the Nationally Consistent Collection of Data on School Students with Disability every year.

The Data Collection is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability.

All education agencies are now required under the Australian Education Regulation 2013, to provide information on a students' level of education, disability and level of adjustment to the Australian Government Department of Education. Data will continue to be de-identified prior to its transfer and no student's identity will be provided to the Australian Government Department of Education.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability.

If you have any questions, please do not hesitate to contact Broome North Primary School's principal Leon Wilson on 08 91953000 or the Western Australian Department of Education NCCD Helpline on 0477 741 598.

Kind regards,

Leon Wilson  
Principal | Broome North Primary School

## Kimberley Family Relationship Centre

### Sessions topics

Me and My Family  
My Feelings  
Choosing Behaviours  
Staying Safe  
Adapting to Change  
Acceptance  
Being Organised

### Aims

BRIC's is an 8 week workshop for children who have experienced parental separation to explore ways to have happy, healthy relationships.

It supports children who have experienced parental separation by:

- Helping children to connect with others.
- Learn new skills to deal with life challenges

### Note for Parents & Carers

Please pack a snack and drink bottle for your child to enjoy during the session. Confidentiality and any limitations to this will be discussed with your child, if you would like more information, please let your facilitator know.

### Location & Contact details
