

From the Principal's Desk

Ngaji gurrjin! With the Laja season almost here things are certainly heating (and building) up. After a hectic term I wanted to give a shout out to our wonderful staff at Broome North PS. Every day I see this skilled, dedicated, and compassionate group of people go above and beyond to support the learning of the most important people in our school: our students, and it's clear from the conversations I have with parents around the school that the vast majority of you agree with me! Public education is built on the notion that every child should have access to quality teaching no matter what their age, background or postcode; however, it is still very much a lottery for families across Australia. The great news is that this lottery is one that our Broome North PS families are undeniably fortunate to have won, because of the quality of our staff.

A reminder that the first day of Term 4 for Kindergarten (Crocs and Yari) to Year 5 students is Tuesday, 13 October, with Year 6 students commencing with their week-long stay at Broome Camp School on Monday, 12 October. I wish all our families a safe and relaxing break and look forward to seeing you all back then.

Pre-primary Dinosaur Excursion

We have had a very busy term in Pre-primary! This week, we went on an excursion and visited the dinosaur footprints at Entrance Point. We learnt that these tracks are 130 million years old and were made by a sauropod - a large, long necked dinosaur. We measured the footprints from the sauropod and drew a dinosaur on the beach showing the size that particular dinosaur would have been.

Both Pre-primary classes have hosted and presented items at the whole school assembly and we were so proud of their performances!

Thank you to all the parents and carers who came along to see the student work at the Learning Journey - what a great night! We hope everyone has a wonderful holiday!

Ms Pedley and Miss Bell | Pre-primary Teachers

Book Week Assembly

Broome North PS had its annual Book Week celebration on Friday, 28 August. Students from every year group took to the catwalk and certificates and book awards were given for best dressed girl and boy in each year level. Many thanks to the parents and carers for coming along to support the event and to all the families who made a huge effort with costumes for their children. There were lots of fantastic and original dress ups and the whole school had a great time celebrating Book Week. We even had a special visit from the KSP 0-3 Program students who started off the parade with a bang! Thanks also to the amazing Abby Murray Photography for taking some great photos for us!

PBS - Besties Bonanza

The cheer that erupted at last Friday's assembly could be heard from Derby, as the students were informed that Ryu's Ripper Recess would be going ahead. As a school, they had not only reached this term's set target of 20,000 "Besties," they had smashed it with a grand total of 22,999 (a new record).

Today, everyone enjoyed their extra playtime, which was made even longer after Mr Wilson inspected the grounds. As our focus behaviour for Weeks 9 and 10 was "Put Your Rubbish in the Bin," Mr Wilson had promised to double the time if, on inspection, he couldn't see any rubbish laying around.

Congratulations to all of the students who earned "Besties" this term for demonstrating Respectful, Responsible and Resilient behaviours. It was wonderful to see so many of you remembering to Be Your Best at all times.

Di Kevan | Nimanburr 3 Teacher

Rubbish Squad

Many thanks to these students for using their initiative and precious time at recess and lunch to patrol the playgrounds, collecting rubbish.

Yellow/Gold House - Coming Soon...

Broome North PS is growing: In 2015 we had 75 students at school on our first day; Next year we'll be up to 380! With numbers like this it's time to activate our fourth faction/house. Whilst we know the colour will be yellow/gold, we need your help to name it!

Please take a moment to cast your vote on our Parent Survey on Facebook, or follow the link sent to your email address. Please contact the school on 9195 3000 if you did not receive the email or wish to update your email address.

(Please note: all students will get their own vote at school, so feel free to make your decision without their input!)

Art Exhibition and Learning Journey

What a colourful night! The contemporary artwork created by Broome North students lit up the Linygurra, Nimanburr and Birndany wet areas. Every student in each class helped paint a canvas that was auctioned off during the exhibition. The Kimberley Ocean Animal theme was a big hit and we raised a total of **\$5165** for the art department - a new BNPS record! Well done Broome North Picassos - your imagination and creative talent makes our school so much brighter. Congrats to the winning bidders!

Yawuru News

Our Year 1 and 2 students had their first ever Yawuru lesson with our talented Miss Varney on 9 September. They had a great time learning the words for sit, stand, turn around and jump. They then went fishing for salmon, or wirliwiriligaja walgwalgayi. Mabu junu!

We are hopeful that in 2021, Yawuru will be taught across Years 1 - 6 for an hour each week.

Isobel Varney | Yawuru Teacher

CHANGES TO SCHOOL BUS SERVICES

The Public Transport Authority recently conducted a review of the Broome Public Transport Area. As a result, the Broome Public Transport Area has been expanded to include the Blingur area.

From Term 4 2020, the Blingur area will be serviced by TransBroome services. TransBroome is a branch of the Public Transport Authority and is responsible for the management of public transport bus services in major regional centres.

From Term 4 2020, all students residing within the area shown in pink on the map below will no longer be able to access an 'Orange' school bus.

Students using the TransBroome services will need to pay a fare and in order to take advantage of the discounted 7D card fare, students will need to purchase a Multirider. Multiriders are produced in a booklet of ten tickets and are available from the bus driver at a purchase cost of seven dollars. Alternatively, a single cash ticket can also be purchased from the driver at a cost of \$1.40.

The new services will operate at times similar to the current orange school bus service including the pickup locations. Timetable and route information about the new services will be available from the TransRegional website.
