From the Principal's Desk

Ngaji Gurrjin, everyone! It's amazing to see how quickly time has passed now that we are deep into Term 3. There have been a lot of activities and educational opportunities over the past few weeks, and there will be many more before the term ends. Please take a moment to look through the term planners, read the most recent news from the Parents and Citizens Association (P&C), and keep an eye on the school calendar, which is available on our website.

The administrative team would like to gently remind everyone of a few crucial matters to ensure the well-being and smooth operation of our school community:

Student Safety:

- If your child uses a bike or scooter, kindly ensure they wear helmets. Safety first!
- When picking up or dropping off, please adhere to designated areas and avoid crossing roads hastily on Tanami and Nakamura roads.
- Gates will be locked at 2:30 pm. Remember, school premises, including the oval, become off-limits after this time.
- We understand public parks as a way of having a break from the kids is a quick and easy option, but please remember that parks might not always be the safest places for our kids. Supervision is always recommended.

School Reminders:

- Let's ensure our students are dressed according to the school uniform guidelines. Daily attire includes school shirts, black or blue shorts, a wide-brim hat, and enclosed shoes. Wednesdays are reserved for sports shirts.
- If your child has shoulder-length or longer hair, we encourage it to be tied back. It can get caught and cause harm, like earrings and necklaces, so we recommend stud earrings and tuck jewellery into shirts.

Lastly, a gentle reminder to everyone: when it comes to anything with wheels, let's ensure they are pushed rather than ridden on school property. This small act goes a long way in fostering a safe and orderly environment for all.

Thank you for your unwavering support as we navigate through this academic year. Your involvement is what makes our school community thrive. Galiya!

Ken Molyneux | Principal

Ryu's Reminders

- Attendance SMS: 0437 908 183
Please include student name, length of absence and reason.
- Please continue to let the school know if your child tests positive for COVID or is a household close contact.
- Please make sure students bring a wide brimmed hat to school every day and that all belongings are clearly labelled.
- The canteen is closed.
- If your child is arriving after the school bell, please come through the front office for a welcome note.
- If you are collecting your child during school hours please come through the front office first.

For your calendar

- 22-25 Aug Book Fair in Library
- 24 Aug Book Week Assembly
- 25 Aug - M2 Assembly
- 28 Aug - 1 Sept EA Appreciation Week
- 31 Aug - Daffodil Day

12 Mile School Bus

If you would like your child to catch the 12 Mile school bus, you can apply online at www.schoolbuses.wa.gov.au

NAIDOC Week

NAIDOC week celebrations were held throughout the last week of Term 2. NAIDOC week is an opportunity for all Australians to learn about First Nations cultures and history.

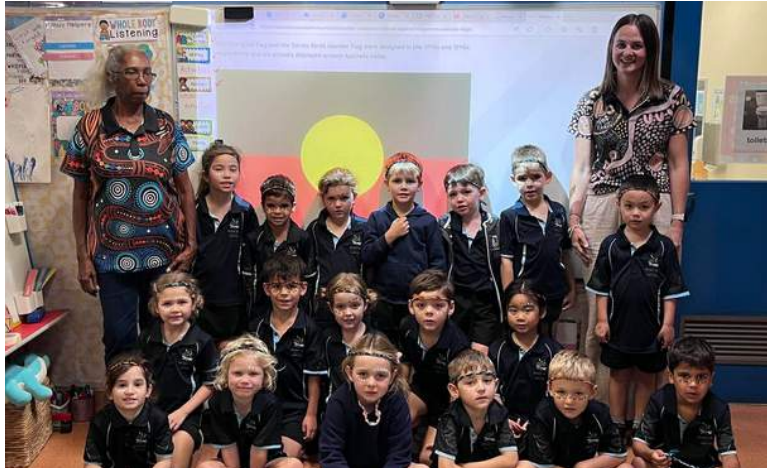

Our NAIDOC week started with an opening ceremony on Monday, 26 June with a Welcome to Country by Dianne Appleby, we announced our NAIDOC week poster winners, our choirs sang and we had a smoking ceremony.

The scene was set for a fantastic week of fun and learning.

NAIDOC week Classroom Activities

During NAIDOC week, our students participated in many activities and we had lots of special guests come into school to teach us about culture, plants, animals, the seasons and history. Some of our Year 4 students travelled to Minyirr Park for a Bush Tucker Walk.

NAIDOC Week - For Our Elders

NAIDOC Week's theme this year was 'For Our Elders' and the focus was the positive and important influence our Elders have played and continue to play in our communities and families.

We invited residents of Bran Nue Dae Aged Care to the school to mingle with the students and share morning tea.

Our Year 6 Students entertained our guests with a dance.

One student was especially excited to see his Great Grandmother at school.

NAIDOC Week Six Seasons Classroom Walk

For NAIDOC week, each classroom focused on one of our 6 Yawuru weather seasons that we have here in Broome. Our students worked on their displays throughout the week and on the final day of NAIDOC week, students were able to walk through each others classrooms to see what everyone else had been learning.

NAIDOC Week Closing Ceremony

Our NAIDOC week finished with our community breakfast and closing ceremony. Some of our Year 6 students performed a dance taught to them by Miss Shonte and Mr Steele. Our Senior Choir performed a piece arranged by the Broome Cluster School's Music teachers, which was a collaboration of songs The Children Came Back, Took the Children Away and You Raise Me Up. We would like to thank Miss Kristen and all the Aboriginal Education Team for your hard work in organizing the amazing activities throughout the week. Thank you to all our special guests, helpers and community for helping us celebrate NAIDOC week.

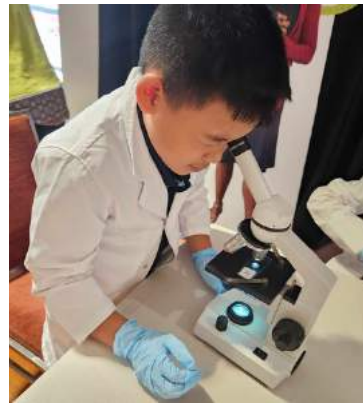

100 Days of School!

Our Pre-Primary's are 100 days smarter! to celebrate being in school for 100 days our students and teachers explored the number 100 and dressed up as 100 Year olds.

Telethon Institute STEM Excursion

Recently the Telethon Kids Institute held a Festival of STEM in Broome to celebrate National Science Week. Our Year 4 and 5 students were very lucky to meet a range of different Telethon Kids researchers and scientists who work in areas like END RHD, Vaccines and Infectious Diseases and Respiratory Health. There were lots of fun interactive displays for the students to play with and learn from. STEM stands for Science, Technology, Engineering and Mathematics.

0-3 Program Activities for Science Week

During 0-3 this week we celebrated Science Week. A particular favourite was bicarb and vinegar, we watched how the chemical reaction between the two chemicals blow up a balloon and then we made an erupting volcano using the bicarb and vinegar for the lava. We also marvelled in the magic milk experiment, where the chemical reaction between the milk and dishwashing soap made the colours move all around.

Kindy & Pre-Primary Athletics Carnival

Our Kindy and Pre-Primary students tested their athletic skills, by running, throwing, hurdling and very carefully balancing an egg on a spoon for their Athletics Carnival.

Congratulations, to our smallest students for giving it a go and having some fun.

House Jumps and Throws Carnival

Our House Jumps and Throws Carnival was held on Thursday, 10 August. Our Students participated in long jump, triple jump, discus, vortex and shotput.

House Athletics Carnival

Congratulations, Birndany for winning our recent Athletics Carnival. We are very proud of our students who showed great resilience and sportsmanship. A massive thank you to all our parent volunteers who helped run both our Jumps and Throws and Athletics Carnivals. Also, congratulations to Mrs Carder for another successful sporting event.

Our P&C has been busy purchasing new equipment for the school.

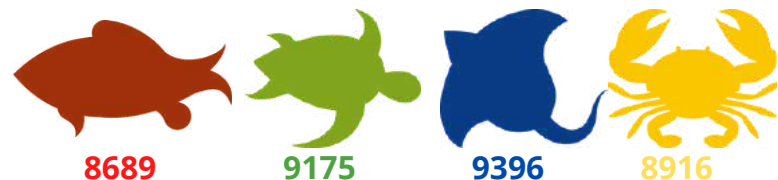

Nimanburr block received a new microwave and Marndan block is very happy with their new laminator.

Thank you to everyone who supports the P&C and allows us to buy resources and equipment for the school.

We are excited to be organizing the Colour Fun Run again, to be held on Friday, 22 September.

 Mon 21st August 2023
 Where: Anglicare Office
 2 Weld Street, Broome,
 WA 6725

Protective Behaviours Community Services Workshop

Parkerville Children and Youth Care's Protective Behaviours Community Services Workshop is coming to Broome. This workshop will focus on the core content of the Protective Behaviours process and how the themes and concepts of Protective Behaviours can embed within your roles and workplaces.

Protective Behaviours is an abuse prevention program, however we are aiming to highlight how Protective Behaviours can apply across contexts – from work with children and young people, to Policing, to day-cares and supporting victim-survivors of domestic abuse.

The workshop is designed to build on existing knowledge and draw on issues and challenges relevant to the Broome region – no previous experience in Protective Behaviours is necessary.

Tuesday 22 August | 9am - 4pm

Broome Lotteries House (Hall 2)
 Lot 642 Cable Beach Road East, Broome

Morning tea, lunch and afternoon tea will be provided.
 RSVP your attendance & dietary requirements by visiting the link below:
<https://www.eventbrite.com.au/e/protective-behaviours-workshop-for-broome-professionals-tickets-658264144777>

Learning - Thriving - Leading

Primary Student's of the Rangelands Photo Competition 2023

ENTRIES NOW OPEN!

Rangelands NRM is once again running its annual photo competition for primary aged children in the WA rangelands regions who attend School of the Air (SOTA) and participating schools.

In its 13th year, the competition aims to engage with children and their families who live and work in the rangelands; to raise awareness of not only natural resource management but also the harsh yet beautiful and highly varied landscapes that encompass the WA rangelands.

Since it began, over 500 students have submitted over 1000 photos to the competition. The winning photos appear in a calendar, on our website and in Rangelands NRM publications. Additionally they also go up for exhibition at the WA Museum Boola Bardip.

For 2023 we are also inviting video applications of up to 30 seconds.

The theme for 2023 is
"Natural Surprises, Hidden Beauty"

For more information or questions, please contact:
Amelia Miller, Administration Manager at Rangelands NRM
Tel: 08 9468 8250 | Email: Ameliam@rangelandswa.com.au

ENTRIES CLOSE 30th OCTOBER 2023

COMPETITION CATEGORIES

PHOTO FIRST PRIZE OVERALL - DRONE
Regardless of age, the photo judged as being the best photo overall

PHOTO SECOND PRIZE OVERALL - DRONE
Regardless of age, the photo judged as being the 2nd best photo overall

First, second and third prizes awarded

PHOTO LOWER PRIMARY (Years 1 and 2)
First, second and third prizes awarded

PHOTO MIDDLE PRIMARY (Years 3 and 4)
First, second and third prizes awarded

PHOTO UPPER PRIMARY (Years 5 and 6)
First, second and third prizes awarded

BEST VIDEO (overall, any year)
First, second and third prizes awarded

CONDITIONS:

- An entry form (with permission to use photo) must be filled in for each child entering the competition and signed by parents/guardians.
- Photos must be taken by the child who is entering the competition.
- Maximum of four (4) photo entries per child.
- Images to be submitted either via TransferBigFiles.com (just add files - no need to sign up) or by email to info@rangelandswa.com.au.
- Images must be 2MB or larger - the winning entries will be used in the 2024 Calendar and printed for exhibition at the WA Museum Boola Bardip and thus need to be high resolution. Entries will also be featured through Rangelands NRM publications including social media.
- Video entries can be up to 30 seconds in duration. They can be shorter, but not go over 30 seconds.
- Winning video entries will not be featured in the 2024 calendar, but will be featured on various social media channels.
- Children will be acknowledged on calendar and in exhibition by first name only alongside school and year group.
