

From the Principal's Desk

Ngaji Gurrjin! Wow, another busy but incredibly successful term has come to an end. The last 10 weeks have been an endless stream of excitement and activity, with our students actively participating in a variety of incredible experiences that have added greatly to their educational experience.

We started with our much-anticipated school photo shoot that captured priceless memories, and it's wonderful to see how much everyone enjoys this tradition. In addition, we celebrated our PP classes' enthusiasm and dedication to learning by celebrating their amazing achievement of 100 days of school. The interschool Spelling Bee and Athletic Carnivals were standout events where our students excelled academically and athletically.

Congratulations to those who demonstrated exceptional skills and talents, as their accomplishments reflect the dedication and hard work they've put into their education and sporting endeavours.

We also hosted a very successful Father's Day Breakfast; seeing so many fathers enjoying a sausage sizzle with their children was fantastic. During Education Assistants (EA) Appreciation Week, we also took the opportunity to express our heartfelt appreciation to our outstanding EAs. This week was a well-deserved acknowledgement of their vital roles at our school.

Furthermore, our P&C organised many fundraising activities, such as our unique dress-up and donate days. These events allow our students to dress outside school uniforms and support a worthy cause. Not forgetting another fantastic 'Colour Run,' which is known for its delightful chaos. The students enjoy the opportunity to get their teachers a little dirty, which adds an extra layer of fun. These events united our community and contributed to a sense of achievement and belonging. We also celebrated Book Week. Our love of reading and books was displayed at our famous dress-up book week parade, which every parent either dreads or loves.

Lastly, we enjoyed our parents' engagement at the learning journey open night. Witnessing our students proudly sharing their love for learning with family was a fantastic way to conclude the term.

As we move into the holidays, with the Wirlburu westerly winds having started to blow, the nights and days are getting hotter, and the clouds are starting to build in the Northeast in preparation for Laja (build-up to the wet), which is not far away, enjoy your holidays, be sun-smart and stay hydrated. If you are travelling, stay safe, and we will see you next term, Galiya!

Ken Molyneux | Principal

Ryu's Reminders

- Attendance SMS: 0437 908 183
Please include student name, length of absence and reason.
- Please continue to let the school know if your child tests positive for COVID or is a household close contact.
- Please make sure students bring a wide brimmed hat to school every day and that all belongings are clearly labelled.
- If your child is arriving after the school bell, please come through the front office for a welcome note.
- If you are collecting your child during school hours please come through the front office first.

For your calendar

- 22 Sept, Assembly L1
- 22 Sept, Colour Fun Run
- 11 Oct, Swimming Lessons start
- 7 Dec, End of Year Concert
- 12 Dec, Year 6 Graduation

12 Mile School Bus

If you would like your child to catch the 12 Mile school bus, you can apply online at www.schoolbuses.wa.gov.au

Year 6 Camp

In week 5, our Year 6 students went on camp to Broome Camp School. The students went rock climbing, a Minyirr Park cultural tour, camel riding, whale watching, surfing, tie dyed shirts, held a mini surf carnival, and so much more! Thank you to all our dedicated staff who stayed over and assisted our Year 6 students to have a memorable week.

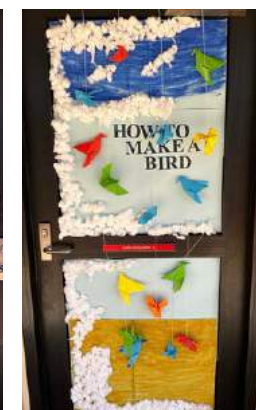

Book Week

We celebrated Book Week with lots of activities with books we love. Classes were 'buddied' up and read together.

Book Week Doors

Each classroom choose a book by talented author and artist, Matt Ottley and decorated their door. It was very hard to choose the winners with so many fantastic creations.

Book Week Parade

EA Appreciation Week

EA Appreciation Week is a time for us to thank our dedicated Education Assistants. Our EA's here at BNPS are kind, caring, patient and consistently working hard to support our teachers and all our students. We love our EA's!

Father's Day Breaky

Recently, we celebrated Father's Day by inviting all the dads, uncles, granddads, foster dads, step dads and all the male carer's and family members who play a part in our students lives to school for a sausage sizzle breakfast.

It was fantastic to see so many people attend and thank you to all our staff who volunteered to cook and serve the breaky.

Pre Primary LOV Food Excursion

Our Pre-Primary students recently had a "Garden to Plate" experience on an excursion to the Lions Outback Vision Center. The students made their own pasta from scratch and helped pick produce from the on site garden to go in the pasta dish. They were then able to enjoy the yummy food they had made all by themselves.

Year 3 Museum Excursion

Our Year 3 students have been learning about what has changed and what has stayed the same over time in our local community. The students recently travelled to the Broome Museum to learn more and look at displays and artefacts that tell us more about Broome's History. The students also went to Town Beach to look at the new jetty and even got to have a play on the playground.

Interschool Athletics

During Week 8, our Year 1 to 6 students selected for Interschool attended the West Kimberley Athletics Carnival which was held over two days. This year was the inaugural year for vortex throws, with some impressive skills on display by our students. Paddy from Year 3 now holds the record for his vortex throw of 33.50m and Tahj from Year 4 with a throw of 36.68m. We had some records broken with our track events too. Louie from Year 1 broke the 50m and 100m record, Kayleigh from Year 6 broke the 200m record, Chad from Year 5 broke the 200m record and our mixed Year 1 team broke the 50m relay record. Congratulations, to all our students who participated. You all represented our school well and displayed fantastic sportsmanship and resilience. We finished the carnival in second place and only 40 points behind first place – an awesome team effort! Well done, to the following students who received medals for their outstanding results: Louie Year 1 Champion Boy; Heidi Year 1 Champion Girl; Mila Year 2 Champion Girl; Paddy Year 3 Champion Boy; Chad Year 5 R/U Champion Boy; Kayleigh Year 6 Champion Girl.

RU OK?

R U OK?Day (Thursday 14 September, 2023) is our national day of action dedicated to reminding everyone that any day is the day to ask, 'Are you OK?' and support those struggling with life. Yesterday, our students held conversations and did in class activities to learn how to check in and offer support and help those that may be struggling. Our Student Leadership team and Marndan 2, Pre-Primary, travelled to Broome Lotteries House for an inter generational morning tea with residents from Germanus Kent House. It was a lovely, heart warming morning for all involved. Thank you to Kylie at Broome Lotteries House for organising.

Positive Behaviour Support (PBS)

BNPS is a PBS school

What is PBS?

Positive Behaviour Support

PBS is a framework for implementing a continuum of evidence-based interventions to achieve positive academic, social, emotional and behaviour outcomes for all students.

A major component of this framework is teaching and reinforcing positively stated expected behaviours.

My name is Ryu, I am the school PBS mascot!
You might see me at assemblies. I also like to pop into classrooms and check out the amazing behaviour of our students.

Besties

At BNPS we use Besties to acknowledge and reinforce expected behaviour. We use the PBIS Rewards online system to give out Bestie Points. Bestie points are given when students demonstrate the whole school expected behaviours. These behaviours come from our Matrix and fall under 'We are Respectful', 'We are Responsible', 'We are Resilient'.

Lessons are taught once a week for each behaviour expectation. Each week, a 'What's on at BNPS' page goes on Seesaw, the school Facebook page and is on the school noticeboards. At the top it says our whole school behaviour focus.

Whole School Rewards

At BNPS students are rewarded for their respectful, responsible and resilient behaviour with individual, whole class and whole school rewards. This is linked with our Bestie points and expected behaviours.

At assemblies, the BESTIE BONANZA winners are announced. Students from each block are picked randomly, who have received lots of besties. They then get to go to a Bestie Bonanza. This is usually held in the Library on a Friday afternoon and involves games, iPads and treats.

We also find out at assemblies, how close we are to our whole school bestie target, looking at the thermometer below. If we meet our target by Week 10, we get a whole school reward. This could include an extra long playtime, waterplay, fun rotations of outdoor activities etc.

Week 10, Term 2

Last term, we achieved our whole school target.

As our reward, we went to the oval with a buddy year level (Year 1 and 4, 3 and 5, year 2 and 6) and participated in tug of war, egg and spoon and sack races, rob the nest game and giant games and reading. It was so awesome to see the bigger kids helping out and having fun with the younger kids!

The Pre-primaries celebrated with extra play, Music with Mr Steele and bubbles!

Around the School

Broome SCHOOL HOLIDAYS Calendar

TERM 3 BREAK Saturday 23rd September – Sunday 8th October 2023

TUESDAY 26TH

SKATE PARK, BYO WHEELS & BRAC SPORTS
