Student Mobile Phones in Schools Policy

The Department of Education does not permit student use of mobile phones in public schools unless for medical or teacher directed educational purpose.

Subsequently, principals must:

- Implement a ban on the use of mobile phones for all students from the time they arrive to the conclusion of the school day;
- Require students to put their smart watches in 'aeroplane mode' so phone calls and messages cannot be sent or received during the school day;
- Manage breaches of this policy in accordance with the *Student Behaviour in Public Schools Policy and Procedures*.

Exemptions to this ban include where a student requires a mobile phone:

- to monitor a health condition as part of a school approved documented health care plan;
- under the direct instruction of a teacher for educational purposes;
- or with permission of a teacher for a specified purpose.

While at school, students are the responsibility of Broome North PS. All communication between parents and students, during school hours, should occur via the school office (9195 3000).
