Onsite Dental Clinic

(Next to the front office on Tanami Drive)

ENROLMENT IN SCHOOL DENTAL SERVICE

Dear Parent/Carer,

The School Dental Service is a public health program which provides free general dental care to students who attend a Western Australian Department of Education recognised school aged 5 to 16 years or until the end of year 11.

The service is provided by dental therapists and dentists who are registered with the Dental Board of Australia. There is a strong emphasis on prevention, oral health education and early intervention.

You are welcome to visit the Dental Therapy Centre to discuss your child's dental care.

- * Enrolling your child in the School Dental Service grants us permission to perform an oral examination or 'dental check-up' on your child. These check-ups occur periodically.
- * If we determine further dental care is required, we will seek additional consent from you. There is no cost for general dental care.
- * Specialist and general anaesthetic services are not available, however you will be informed if such treatment is necessary and a referral issued. Parents/carers are responsible for the cost of these services.
- * It is your responsibility to transport your child to appointments at the Dental Therapy Centre.

Yours sincerely,

BROOME NORTH DENTAL THERAPY CENTRE
