In the event of an accident or illness, depending on severity, students will either be taken to hospital by a staff member or ambulance or returned to school. Parent or guardian contact will be made. Parents are required to inform the organisers well before the scheduled departure of any change to their child's health and fitness so that appropriate supervision may be arranged. Where it is considered necessary, school staff will arrange medical assessment and treatment for students. Parents need to be aware that their child's property is not covered for loss or damage.

Please speak to Miss Trewartha if you have any queries.

Kind regards,

I have read and understood the information regarding the excursion on Friday, 9 June and give consent for my child _____ to attend.

Parent/Caregiver name	Parent/Caregiver signature	Emergency Contact Number

A requirement of the Department of Education is that all students are required to have up to date medical and contact information before attending an excursion. It is the responsibility of the parent/carer to see the teacher and update the information before the excursion date.
